

Capitol Commission Kentucky receives no taxpayer dollars for its services at the Kentucky State Capitol. Instead, we rely upon the generosity of our supporters to continue this important work of sharing God's Word and hope with our civic leaders and their staff.

On **November 16, 2026** we will be hosting our Annual fundraising dinner in downtown Frankfort. This year, Our State Attorney General, Russell Coleman will be our featured speaker. Additionally, you will hear about the impact of this ministry over the past year and what the Lord, we pray, has in stored for the days, weeks, months, and years ahead.

Would you consider becoming a financial supporter with the Kentucky ministry? Thank you to those who do partner with us so faithfully!
