

Gospel Hope & Spiritual Strength for Government Leader

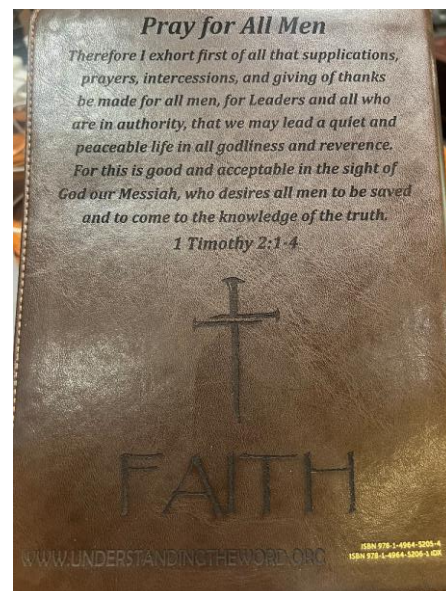

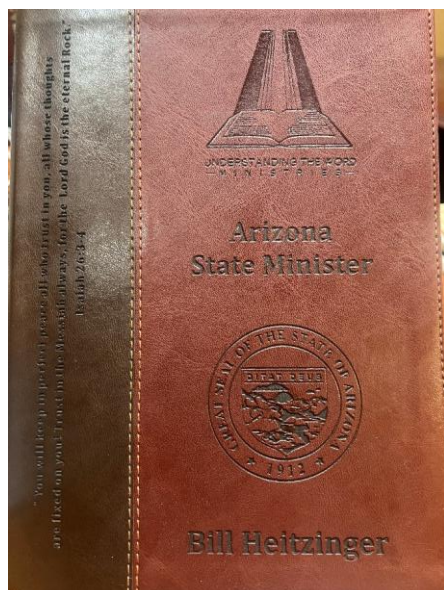

Dear Friends,

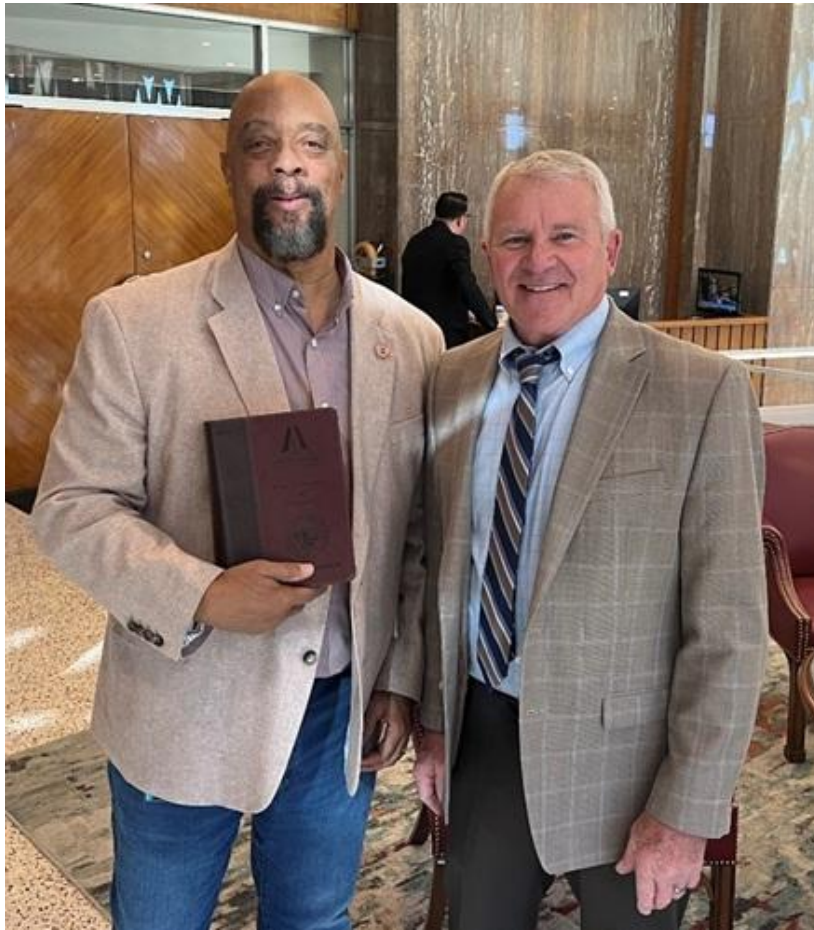

When the 2026 legislative session began this past January it became clear that tensions were high and the upcoming elections were on everyone's mind. Within days of taking to the floors of the House and Senate, a bill was on Governor Hobb's desk. That bill was vetoed and it appears that it will be a hard fought political season at the legislature.

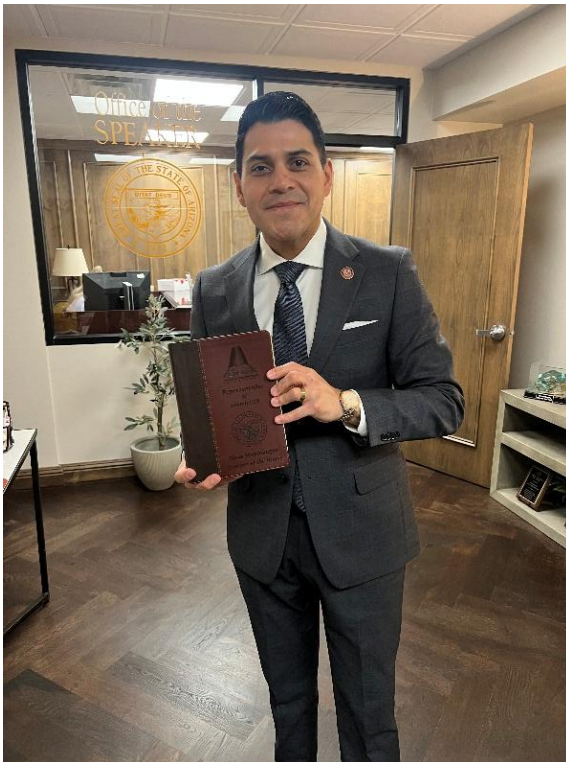

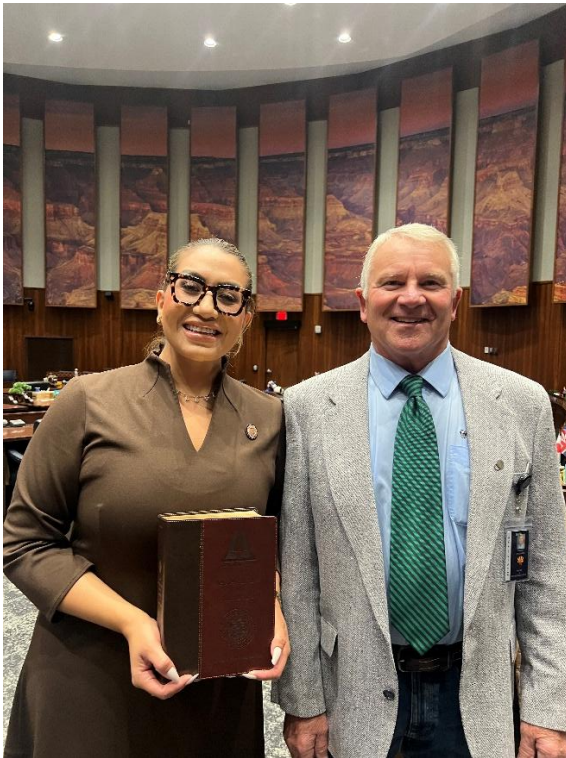

As a minister with Capitol Commission serving in the legislature I am not involved in any way with the process of bringing bills before the lawmakers. Our mission is to bring Christ and to minister to the spiritual needs of government official.

This past year Capitol Commission began a special relationship with David Hoke of "Understanding The Word Ministries." David has been called by God to distribute 8 million Bibles and he appreciates the work that Capitol Commission ministers perform in our state legislatures. I received the Bibles for the Arizona State Legislators and government officials in late December and was able to start delivering them just after the session began in January.

The Bibles are New King James, Life Application and are leather bound individually engraved with the Arizona State seal, the legislator's name, district in which they serve, and sometimes with the special title under which they serve, such as Speaker of the House, or Majority Whip. Pictured below is the front and back of my Bible and several of the legislators accepting their Bibles.

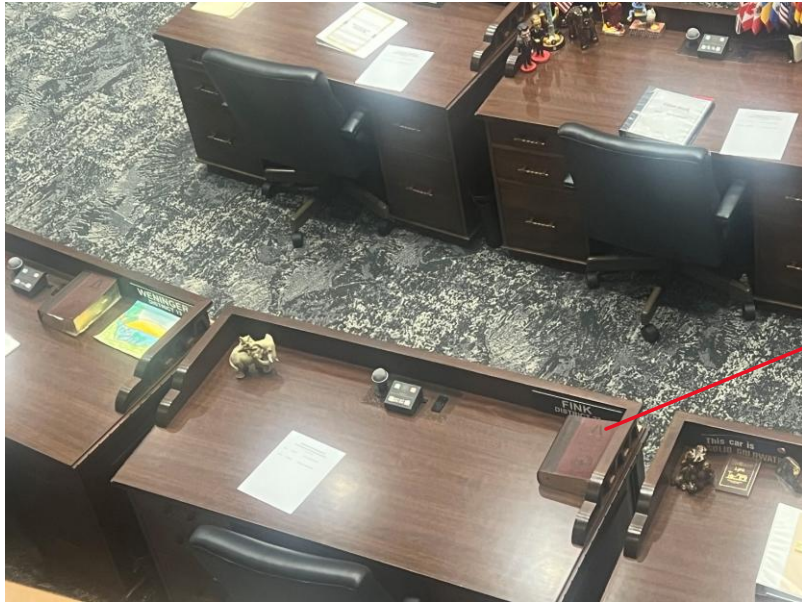

From top left to right, Representative David Marshall and Representative David Livingston and Chaplain Donna Kafer. Middle row left to right, Representative Alma Hernandez and Representative Lupe Diaz. Bottom row left to right, Speaker Steve Montenegro and Senator Tim Dunn.

The majority of the legislators were very pleased with their Bibles, and we can only pray that God's Word will make a difference in their lives. Some of the legislators have kept them at their desks on the floor.

The Bible in corner of desk.

We know that God's word does not return void and so as I continue to minister in the legislature I will be praising him for His everlasting mercy, grace, and love. He is faithful and will lift up the righteous. Rejoice and be glad. Thank you for your prayers and support.
