

NATIONAL MINISTRY UPDATE

June 18, 2025

The United States of America needs prayer. Our President, Vice President and the Cabinet need prayer! Our congressional leaders and our Governors need prayer!

This July 4th marks the 249th Birthday of our beloved nation. God is for the nations, He instituted government. He calls upon His people "to pray for kings, and those in authority over us..."

I speak in churches across America sharing the Word and the Ministry of Capitol Commission. Recently, I had a great morning with Abbe Road Baptist in Elyria, Ohio. I have learned that when people hear of this ministry, the impact and the vision, it encourages them!

"I had never heard of Capitol Commission, and yet it may be one of the most important ministries on this planet. Not only are you fulfilling the Great Commission, leading men and women to Christ; You are also changing the hearts of those who rule over us, which is something that people under Nero, and Caligula, and Stalin, would've given anything to do!"

-MM from Grafton, Ohio writing to me after speaking at his church in Elyria, Ohio
