

UPDATE FROM NEVADA

Greetings from Carson City, Nevada! Much has been happening in the Capital City since my last update.

Legislative Update

The 83rd Session of the Nevada Legislature is now in its 80th day of the 120-day session. Tensions are high as legislators race to meet bill submission deadlines. Many bills have been either drastically reworked or killed altogether as the session progresses.

Invocations

Together, you and I have had the opportunity to open both sessions of the Assembly and the Senate in prayer several times this legislative session, with more opportunities to come.

"I therefore beg leave to move — that henceforth prayers imploring the assistance of Heaven, and its blessings on our deliberations, be held in this Assembly every morning before we proceed to business..." — Benjamin Franklin

Daily Prayer

But God is good! We continue to witness His incredible work. Our morning prayer group remains a vital source of strength and fellowship, offering encouragement to all who attend. Each day begins with a short devotion and prayer—praising God for His grace, celebrating answered prayers, and interceding on behalf of others.

New friendships have formed, existing ones have deepened, and most importantly, Jesus' name is being lifted up daily in this building, glorifying God in every moment.

Others are taking notice. Many have approached me and our group, asking questions about faith, and others requesting prayer for themselves or others. These encounters create opportunities to share the Gospel and the love of Jesus while being a light in an environment that can, at times, feel dark. *What a blessing this is!*

"Let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven." (Matthew 5:16)

Legislator Bible Study

Our weekly Legislator Bible studies continue on Monday afternoons, drawing a faithful group of attendees as we journey through the Gospel of John. Even for those unable to attend due to scheduling conflicts, the studies are distributed via email and hand-delivered to every legislator.

You can access the Bible studies here: <https://capitolcom.org/bible-studies/nevada/>

Bible Deliveries

Almost all personalized Bibles for Nevada legislators—at both the state and national levels—have been delivered, and the response has been overwhelmingly positive.

Recently, a legislative assistant shared that she and her legislator used the Bible to seek wisdom and guidance on pending legislation. May others be led to do the same!

Additionally, our prayer group prayed over and delivered two cases of First Responder Bibles to the Legislative Police Department. Several officers have expressed deep gratitude for the Bibles, spiritual support, and encouragement.

Governor's Prayer Breakfast & National Day of Prayer

May 1st, marks the **National Day of Prayer**. The day will begin with the **2nd Annual Governor's Prayer Breakfast**, followed by the National Day of Prayer event at **11:00 AM** on the steps of the Capitol Building (**101 N. Carson St., Carson City, NV 89701**).

This year's theme is "**Pour Out to the God of Hope and Be Filled**," based on Romans 15:13:

"Now may the God of hope fill you with all joy and peace in believing, so that you will abound in hope by the power of the Holy Spirit."

I will be offering a public prayer alongside others. Please join us in praying for our great nation and its elected officials, as scripture mandates.

"Therefore, I exhort first of all that supplications, prayers, intercessions, and giving of thanks be made for all men, for kings and all who are in authority, that we may lead a quiet and peaceable life in all godliness and reverence. For this is good and acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the truth." (1 Timothy 2:1-4)

Thank you for your prayer and support. May God bless you.
