

Gospel Hope & Spiritual Strength for Government Leaders

Subject: New Year - New Session 2026

Greetings from Santa Fe! As your state minister with Capitol Commission New Mexico, I'm writing to share an update on our ongoing ministry to those serving in our state government.

The past legislative session was bustling with activity, providing numerous opportunities to share the love of Christ with our elected officials and staff. This coming session I am preparing to do three P's; **Pray** for all those who work in the capitol, **Proclaim the Gospel** with regular Bible Studies, and have a regular **Presence in the Capitol**.

If asked, I will be honored to open with prayer any session of the legislature, or committee meeting, or staff meeting. If I am not asked, I will still be praying; in the halls, in the gallery, or wherever I am during the session.

Our weekly Bible studies will be a source of encouragement and spiritual nourishment for those who attend. **Seeing leaders from different political backgrounds come together around God's Word is truly remarkable.**

When asked about my motivation in ministering to political leaders, I respond, "To influence the influencers." That influence requires knowing leaders and connecting with them. **[Here I am with Senator David Gallegos.]**

I can always be reached by phone or email to pray for specific requests. Specific legislation is not something I can pray about but I can always pray for God's will to be done. If you aren't in the capitol, I'm still available; in session or out of session.

Please introduce yourself to me when you see me in the halls of the capitol or on the street. I'd love to know how to pray for you and to have you keep in touch or even join the Bible Study if you work in the capitol.

God bless you, one and all

Capitol Commission is delivering the teaching of God's Word to our Capitol leaders, their staff, and even more of the Capitol community. Through a resolute pastoral presence, we are seeing legislators turn to Christ and embrace the truth of God's Word. Our boast is not in ourselves but in the power of God through his gospel and Word. There is good news coming from our Capitols!

Partner with Capitol Commission to advance gospel hope and spiritual strength for government leaders, which is to "sound forth" the Word of God! Thank you to those who do partner with us so faithfully!
