

OKLAHOMA MINISTRY REPORT—May 28, 2025

The Invitation to Pray

“Things are tough, we are struggling,
it is hard now, and we are far behind -
we don’t need prayer!”

While in Washington DC, Dr. Harbaugh (Capitol Commission National President) asked a Congressional office how he might pray for them, when a spokesperson declared that it really wasn’t a good time for prayer: things are tough, we are struggling, it’s hard, we are falling behind...

Some erroneously imagine prayer to be a waste of time, an interruption, a powerless and empty religious ritual.

But for those who have come to know and experience the significance and power of prayer, we have discovered that: when things are tough, when we struggle, when life is hard and when we are losing ground – *prayer is exactly what is most needed!*

Oswald Chambers famously said, “Prayer does not equip us for the greater work; prayer is the greater work.”

I delight in extending an invitation to our State to pray. The invitation is not reserved for those who have an abundance, but is graciously offered to all who are in need and humble themselves before the Lord.

2 Chronicles 7:14 - *“If my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land.”*

Ministry of Presence

Building relationships with incredible leaders is one of the many rewarding aspects of ministry in government!

God reveals His love and care for Members and Staff each day in remarkable ways.

God's favor and earned trust provide a unique opportunity for *friendship, prayer, counsel and discipleship*.

I intentionally walk every aisle - praying for every Member daily. I'm not interested in what side of the aisle they happen to occupy, but I'm genuinely interested in faithfully caring for them as individuals and sharing the Good News of Jesus Christ!
